Katie Moylan - Company Director

I have been qualified in childcare for 21 years and have 23 years experience. My qualifications include BA Honors in Education and a CACHE Diploma in Childcare and Education.

FIND US ON FACEBOOK

Welcome to K and C Kids Cabin!

We are an Ofsted registered childcare provider, specialising in caring for children after school.

All of our team are fully qualified in childcare, safeguarding children, first aid and food handling. Each member of staff also holds a DBS certificate.

We care for children between the ages of 3 - 11 years and are based in the hall at Thringstone Primary School.

We follow the Early Years Foundation Stage ensuring that each child is cared for and educated to meet their individual needs.

Children choose their own keyperson to ensure that positive relationships are formed and we get to know you and your child from the very start of your time with us.

Our after school club runs between 3.15pm-5.30pm.

Children are provided with a light tea which is served at 4.00pm and offered a selection of cold drinks throughout the evening.

Children attending a school club before joining us will be offered a snack and drink at 4.15pm rather than a full tea.

Children have a wide range of toys/equipment to choose from and can play indoors or outdoors at their request.

We believe in providing flexible childcare to meet your needs. You may book set days each week or we are happy to discuss more flexible sessions if required.

Fees - We charge £5.00 per hour and you can let us know in advance what hours you would like so that you are simply paying for the care needed.

Children attending a school club first will be charged from 4.15pm rather than 3.15pm.

We offer a 10% **SIBLING DISCOUNT** for families who have more than one child attending our club.

We require a deposit of £30.00 to secure your child's place and this is then returned to you after your months notice, when your child's place is no longer required.

Please contact us to discuss your needs further and to arrange a visit for you and your child/children to meet our experienced and professional team.
