Welcome to K and C Kids Cabin!

We are an Ofsted registered childcare provider, offering care for children after school. We also run holiday care from our Snarestone setting for 1 week at Easter, 4 weeks in Summer and usually a few days before Christmas, depending on the end of school term date. We offer a wide range of activities over the holidays, including a variety of exciting special events such as beach themed days, animal workshops, sports coaching, den building, trips to forest school and lots more!

All of our staff hold relevant and up to date training in childcare, safeguarding children, first aid and food handling. Staff personal development is paramount to us and so staff are regularly encouraged to attend additional training to contribute to their continuous professional development in their role. Each staff member also holds an enhanced DBS certificate which is regularly checked.

We care for children between the ages of 3 - 11 years and are based in the hall at Thringstone Primary School. We also have access to the fantastic outdoor facilities too! Children have a wide variety of toys and equipment to choose from and can play indoors or outdoors at their request.

Children choose their own keyperson to ensure that positive relationships are developed and we get to know you and your child from the very start of your time with us. Children work together in their 'team' to earn rewards

for things such as positive behaviour, being helpful and good team work.

**After school club** runs between 3.20pm-5.30pm. Children are provided with a light tea which is served at 4.00pm and offered a selection of cold drinks throughout the evening.

We believe in providing flexible childcare to meet your needs. You may book set days each week or we are happy to discuss more flexible sessions if required.

**Fees** - We charge £6.00 per hour and you can let us know in advance what hours you would like so that you are simply paying for the care needed. We also offer ad-hoc sessions if this suits your requirements better.

We accept payment via BACS, voucher payments and the governments tax-free childcare scheme. We can also claim FEEE for pre-school children.

We require a refundable £30.00 registration deposit per child to secure your child's place.

Please contact us to discuss your needs further and to arrange a visit for you and your child/children to meet our experienced and professional team.
