

Together at Thringstone

Autumn 2 2025

From the Head's Desk

As we come to the end of the Autumn term, I want to say thank you for a positive and busy half term.

One of the biggest highlights for me has been seeing how much the children have grown since they returned in September. They have become more confident, more settled and more willing to challenge themselves in their learning and wider school life.

I have also enjoyed seeing children take part in events, perform in front of others and represent the school with pride. These moments show just how far they have come in a short time.

Thank you to our staff for their hard work, and to parents and families for your continued support. I wish you all a very Merry Christmas and a happy, restful New Year.

Living our Values

Teamwork

Next half term, our focus will be Teamwork. We will be helping children understand how working together, supporting one another and playing their part strengthens our school community and makes Thringstone a great place for everyone.

This Half Term at Thringstone

This half term has been full of exciting events across the school and many opportunities for children to get involved, work together and try something new. Our football teams took part in the Kirby Shield and the Tony Moore Girls' Football competitions and represented Thringstone with real teamwork, determination and pride. Children also enjoyed many dodgeball events, where they showed great effort, resilience and encouragement for one another.

We were extremely proud of two wonderful Christmas performances, with children from different parts of the school taking part and performing with confidence. These performances showed how much the children have grown since September. Carol singing on the drive and playground brought the whole school community together, even when the weather was not on our side, and created a lovely festive atmosphere.

Our choir also represented the school beyond the school gates, visiting a local care home and singing for a dementia group. These visits were a chance for children to show kindness, respect and confidence, and they made a real difference to those who came to watch and listen.

And Finally

- Please label jumpers - we already have a small mountain in lost property!
- If your child is ill, please let the office know as soon as possible.
- As we approach winter, please ensure your child has a coat every day to keep warm.

Safeguarding

**If you're worried about a child, speak to the Headteacher or ask for a DSL.
All staff are trained to act on concerns - we'll always take it seriously.**
