

### From the Head's Desk

As we come to the end of the Spring term, I want to say thank you for a positive and busy term.

One of the highlights has been our residential to Standon Bowers for our Year 4, 5 and 6 children. It was fantastic to see them challenge themselves, support one another and represent the school so well.

It's also been great to see the wide range of lunchtime and after school clubs on offer, from archery to origami to Music Champions.

Thank you to all parents who took the time to complete the recent parent survey. Your feedback was thoughtful, positive and constructive, and will help shape our plans for the Summer term and beyond.

The weather has not been the kindest this term, and we are all looking forward to a brighter summer ahead.

Thank you to our staff for their continued hard work, and to you for your ongoing support.

Mr Swales  
Headteacher

### Attendance Matters

## This Term at Thringstone

This term has been full of opportunities for children to get involved, work together and try something new.

Many children have represented the school in events from speed stacks to boccia and hockey, along with many other great events, showing great teamwork and effort. Our Year 5 and 6 girls' football team also had great success in the Tony Moore Plate competition, winning all of their group games.

We also had a great Active Sports Day, with activities including Nerf challenges, which the children thoroughly enjoyed.

Year 2 also enjoyed a fantastic STEM day at the leisure centre with our local schools.

Opportunities like these really support children's personal development and confidence.

There has been a huge amount going on across the school this half term, with lots to be proud of.

## Staffing Update

This week, we say goodbye to Miss Kinsey and Mr Jaggs as they move on to a new adventure in the Isle of Man. We thank them for their hard work over the years and wish them all the very best for the future.

After Easter, we look forward to welcoming Mr Barber to the team as a Learning Support Assistant. He will also support with sport at lunchtime.

We look forward to welcoming you in.

## Safeguarding

If you're worried about a child, speak to the Headteacher or ask for a DSL.  
All staff are trained to act on concerns - we'll always take it seriously.
